

Rules and Regulations of Survive the Night

Common Sense Rules:

Always remember there are no refunds and once you are escorted off the property you will not be allowed back to Grays Armory. Therefore: **DON'T BREAK OUR RULES!!** We want a happy, fun safe night so please follow the rules

Due to the amount of artifacts sometimes "walking" we can only allow small camera bags, backpacks, purses or fanny packs. Please leave all extra items in your vehicle.

Obviously smoking is not permitted inside the armory or out front. Please smoke only in the West Parking Lot.

The West Lot, for the evening, is considered part of "our property". You are more than welcome to exit the building to the west lot at any time during the night. Feel free to smoke, use your phone, get fresh air or visit your vehicle to the west lot only. If you exit the grounds for any reason you will not be readmitted.

Big No-No's-

Out of respect for other guests there are **no phones or two way radios allowed**. Keep all noise levels to a minimum. If you are repeatedly asked to be quiet or are trying to scare people you will be escorted off the property and not permitted back.

No Sleeping anywhere or at anytime during the Survive the Night.

No Ouija Boards or Seances will per permitted or tolerated. You will be removed, with no refunds and not permitted back to future Survive the Nights.

No opening of Windows or Roof Access Doors. Anyone caught hanging out windows or on the roof will be escorted off the property and not permitted back.

No removal of our artifacts or damage to our historic armory. This not only gets you removed from the property, without a refund but also will have legal actions/consequences.

Do Not attempt to open locked doors or take down any chains or ropes that are blocking your access. If it is blocked it is unsafe and therefore we can not have you there. Being caught were you do not belong will result in you being removed from the property.

No Drugs or Alcohol. If we even suspect you to be under the influence will be escorted outside to sober up and wait for a ride. If you consume or use on our property the CPD will be notified and they will come and give you a ride.

Cameras and recordings are allowed....HOWEVER, you can NOT use any of the images for personal profit without the written permission from the Cleveland Grays Executive Director. Breaking this rule will end with legal action.
